

In the Court of Appeals of the State of Alaska

State of Alaska,

Petitioner,

v.

Brian F Hall,

Respondent.

Court of Appeals No. **A-13554**

Order

Motion to Strike State's Petition for
Review

Date of Order: **December 11, 2019**

Trial Court Case No. **3AN-14-09493CI**

The State filed a petition for review in this case. The Respondent, Brian F. Hall, recently moved to strike the State's petition for review on the ground that the State's petition was premature because the superior court had not yet ruled on the State's pending motion for reconsideration.

Six days after Mr. Hall filed the motion to strike, however, the superior court denied the State's motion for reconsideration. As a result, Mr. Hall's motion is moot. Because Mr. Hall's motion is moot, his motion to strike the State's petition for review is **DENIED**.

Mr. Hall's response to the State's petition is now due on or before **December 19, 2019**.

Entered under the authority of Chief Judge Allard.
